

MiniGlobe, Pendant-Mount Dummy Camera

DESCRIPTION

The Pendant-Mounted MiniGlobe is an integrated solution indoor housing. Like all Wren products, it is designed for quick and simple installation and servicing.

SUGGESTED INSTALLATION EQUIPMENT

- Phillips-head screwdriver
- 1/8" hex key (included with product).

COMPONENT LIST [Figure 1]

- A. Vertical Tubing (3/4" EMT or 1/2" PVC) (not included)
- B. Shroud
- C. O-Ring, Rubber
- D. Housing
- E. Collar Bracket
- F. Set Screw

WARNINGS AND SAFEGUARDS

Prior to installation and use of this product, please observe the following warnings:

1. Installation and servicing should be done by qualified personnel, and all work done should conform to local codes.
2. Using replacement parts or accessories other than Wren may invalidate the warranty.
3. Make sure that the installation method is capable of supporting three (3) times the weight of the housing and enclosed contents.

PREPARATION

1. Carefully unpack box and verify that all components listed are included [Figure 1].
2. Install appropriate length of Vertical Tubing (3/4" EMT or 1/2" PVC) in the desired location.

INSTALLATION

1. Place upper housing shroud onto the Vertical Tubing (EMT or PVC), and roll the Rubber O-Ring onto the Vertical Tubing far enough to hold the Shroud above the bottom.
2. Slide the collar of the Housing Assembly onto the Vertical Tubing and secure it into place by tightening the Set Screw in the Collar Bracket with the provided 1/8" Hex Key. Do not over-tighten the Set Screw to the point where it deforms the Vertical Tubing.
3. Lower the Shroud on to the Housing Assembly.

- Environment: Indoor

INDOOR PENDANT HOUSINGS: MGPE4-D1
